

Visit of Padma Bhushan Dr. R.S. Paroda, Chairman, Trust for Advancement of Agricultural Sciences (TAAS) to DMAPR, Anand

02.02.2015, ICAR-DMAPR, Anand

Dr. R.S. Paroda, Chairman, Trust for Advancement of Agricultural Sciences (TAAS) and Formerly, Secretary (DARE) and Director General (ICAR), visited ICAR-Directorate of Medicinal and Aromatic Plants Research (DMAPR), Anand, Gujarat on 28th January, 2015.

He saw the research and other facilities of the Directorate. While interacting with the Scientists and staff of the Directorate, he expressed his satisfaction over the achievements and development of the Directorate. He called for intense research partnerships for development of medicinal and aromatic plants (MAP) sector. He also stressed upon the establishment of good gene bank for MAP conservation in collaboration with NBPGR and also linking

MAP farmers to global market. He suggested for the Directorate to have focused human resource development plan, carry on impact oriented research and collaboration with the developmental agencies.

Earlier, Dr. Jitendra Kumar, Director, ICAR-DMAPR, Anand welcomed and recollected the long association of Dr. Paroda in the establishment and growth of the Directorate.

Dr. K.C. Dalal, formerly Director, NRCMAP, Anand, Dr. K. B. Katharina, Director of Research, Anand Agricultural University, Anand, scientists and other staff of the Directorate were present on this occasion.

Dr. P. Manivel, Principal Scientist proposed vote of thanks.
