

## **Two days district level seminar cum stake holders meet on MAPs under central sector scheme**

Two days district level seminar cum stake holders meet on MAPs” during **September 14-15, 2017** under Central Sector Scheme, DASD Calicut, Kerala has been conducted by the Directorate of Medicinal and Aromatic Plant Research (DMAPR), Anand, Gujarat. The aim of the seminar is to provide platform to stakeholders and transfer of technology and enhancing knowledge through trainers to farmers with recent development in Medicinal and Aromatic plants. The seminar chaired by Dr. P. Manivel, Director DMAPR, Boriavi and cheif guest was Prof. L.B. Singh, Director of J.S. Ayurveda Mahavidhalya, Nadiad. Two hundred fifty-one farmers have been participated from Anand as well different parts of Gujarat. We have covered all aspects of MAPs viz., cultivation, QPM production, GACP, organic cultivation, improved varieties, PHT, quality primary processing and supply chain / marketing through presentation of 13 experts, two progressive farmers, three industries and one field visits. In the end of the programme we also have panel discussion. This helped them to upgrade their knowledge, market availability and economic feasibility on a same platform where farmers, scientific personals, state officer and the traders exchanged their views and ideas. The program was concluded by Dr. P.L. Saran, organizing Secretary, Dr. K.A. Kalariya, Coordinator and Dr. R.P. Meena, Coordinator.
