

## Staff meeting with Video Conference held

*23.04.2020, ICAR-DMAPR, Anand*

A staff meeting with video conferencing facility was held as a preventive measure in combating the deadly nCOVID-19 virus at the ICAR-Directorate of Medicinal and Aromatic Plants Research (ICAR-DMAPR), Anand, Gujarat today. The meeting was held to discuss the day to day affairs and the workplan of the institute under lockdown condition. The meeting was held under the Chairmanship of Dr. Satyajit Roy, Director (Acting), the ICAR-DMAPR, Anand. The scientist and staff members of the directorate were present in the meeting. Elaborate discussions were held on the agenda such as IRC proceedings, BE allocation, preventive measures for nCOVID-19 and other affairs of the institute under the lockdown. The meeting was held using Vidyo app provided by NIC, Gandhinagar, Gujarat. This is first of its kind than the regular in-person meetings in the institute.
